The Honorable Sam Graves

Committee on Transportation and Infrastructure
U.S. House of Representatives

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for improvements to a walking pathway in Cuba, NY in the surface transportation reauthorization legislation. The project sponsor is the Village of Cuba and it is located along State Route 305 near the Cuba-Rushford Middle-High School.

The funding is designated for increasing safe, non-highway pedestrian access to the school. The project is an appropriate use of taxpayer dollars and is anticipated to improve the safety of students, cyclists, and other pedestrian traffic who are currently sharing the only access road with 60-mile-per-hour traffic.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tom Reed
Member of Congress
